

# Merry Hill Matters

Issue 244 - 18th June 2010

## Parent Workshop on 16th June

We decided to cancel the planned Parent Workshop this week because we only received 11 replies - I think that timing it during the World Cup might have had something to do with it! We will run the workshop during the next academic year.

## Fathers' Day Secret Room

Thank you to the FOMH for organising and running the Father's Day Secret Room. Hopefully all of the fathers will be suitably impressed with their gifts.

## Sponsored Slide

Did your child enjoy the Sponsored Slide? If they did and you haven't yet returned your sponsorship money, please could you do so as soon as possible.

## Pedometers

Most of the children have returned their pedometers, but we are still quite a few short. We would like to use them again next year, so if you haven't yet returned your one, please could you send it in next week?

## Suggestion Box

Some of you might have noticed a new white post box on the brick wall outside of the school office. It will soon bear the name 'Suggestion Box' and as the name suggests it is for children and parents to put any suggestions (or queries) into. Please also bear in mind that you can also contact me via [head@merryhill.herts.sch.uk](mailto:head@merryhill.herts.sch.uk).

Pauline Hannibal  
Headteacher
